GOODYEAR EAGLE F1 SUPERSPORT RS

THE SPIRIT OF RACING

Goodyear's ultra high performance Eagle F1 SuperSport RS is a race-focused tire designed to push the limits for on track racing performance.

A highly specialized racing-originated compound provides the ultimate grip and cornering performance

AVAILABLE SIZES

265/35ZR20 99Y
325/30ZR21 108Y

Ultimate grip performance with RacePro compound

Designed with bridges in the groove zone for extended stability when cornering

The tire is constructed with a tread deformation protector to achieve better stability for high speed driving

Optimized tire contour for more effective pressure distribution to achieve ultimate steering precision
