TAKE CONTROL OF THE ROAD

Viking Teratech AT

Viking Teratech HT

High Safety and Short Braking Distance

Featured triple center rib design and multiple longitudinal & lateral grooves

High Level of Durability, Reliability and Safety

Featured ShieldTech, sidewall reinforcement technology

Comfort Drive

Optimized pattern design with noise reduction technology and rib-block shoulder design

High Mileage

Optimized flat tyre contour together with wear resistant tread compound

On-road / Off-road
80% / 20%

Increased Driving Comfort

Optimized pattern geometry

On-road / Off-road
50% / 50%

High Level of Durability, Reliability and Safety

Featured ShieldTech, sidewall reinforcement technology

Strong Traction on Stone, Sand and Mud

Featured twin stage groove design, saw tooth shaped pattern and open shoulder blocks

High Mileage

Optimized flat tyre contour and block stiffness together with cut and chip resistance tread compound

Viking Teratech MT

Excellent Mud Traction

Featured two shoulder lug design

Improved Traction

Featured deep and wide lateral grooves

Robustness

Featured sturdy shoulder blocks and ribs

On-road / Off-road
0% / 100%
